

The FEANI Central European Group - CEG-Meeting

June 28 and 29 2019

Hosted by the Croatian Engineering Association - HIS, Croatia, Zagreb

Day: June 28

It was a great pleasure for me, the President of Croatian Engineering Association, HIS, and my colleagues to host the **Feani Central European Group Meeting** contributing to FEANI objectives. We in Croatia very much appreciate International cooperation through FEANI being aware of purposeful in representing of engineering profession and professional development. We will try to contribute through FEANI STEM WG in STEM students and graduates increasing in Croatia, Europe and wider. The Agenda of the meeting and Programme:
